- ▶ Good looking (also when off)
- ▶ Comfort-secure fit
- ▶ Sweat and water resistant

LIVE300^{TWS}

True wireless in-ear headphones with Smart Ambient

Features and Benefits

JBL Signature Sound

Small in size, but packing serious power, JBL LIVE 300TWS headphones deliver the audio you expect from JBL.

Ambient Aware and TalkThru technology

Control the world around you. Instantly move from absolute music immersion to focus on your surroundings with Ambient Aware. Chat with your friends without removing your headphones with TalkThru. Just swipe on the earbuds to activate them.

Be free with True Wireless

JBL LIVE 300TWS headphones are totally wireless, with nothing to hold you back or tie you down.

Hands-free stereo calls

Wherever you are in the world, and whatever you are doing, take your music along for the ride and stay connected with perfect, stereo clear calls with no background noise. Discover total listening freedom with hands-free functionality and no distractions with all-access touch control.

Instant access to Voice Assistants

Voice Assistant gives you the convenience of the Google Assistant and Amazon Alexa in your ears, making it even easier to get what you want. Choose yours with the My JBL headphones app and you are all set. Just swipe on the earbuds to activate them.

Personalize your listening experience

Your headphones should adjust to you, not the other way around. JBL LIVE 300TWS headphones feature Personi-Fi. In just few steps, Personi-Fi allows you to tailor your sound profile based on your gender, age, preferences to give you the best possible listening experience. Find Personi-Fi in the latest version of the My JBL Headphones App, free to download.

20 hours of combined playback: Never stop playing

Never be without your music. JBL LIVE 300TWS headphones give you 6 hours of playback on a single charge. Pop them into the charging case for an additional 14 hours of listening. Get a one-hour boost in just 10 minutes.

Good looking (also when off)

Pick the pair that suits you. JBL LIVE 300TWS headphones are super stylish, and come in a range of colors.

Comfort-secure fit

Listen all day in complete comfort. JBL LIVE 300TWS headphones have four available sizes of wing fin stabilizers.

Sweat and water resistant

Never let bad weather or a tough workout hold you back. JBL LIVE 300TWS headphones are sweat-proof and water-resistant with an IPX5 certification.
